עקרונות #1

#1

You admire a character for trying more than for their successes.

**Are you
ready to
play?**

מי הגיבור שלנו?

קפלר?

קפלר בעצם מייצג את הלומד שלנו (:

הגיבור האמיתי זה בעצם **הלומד** (ובדוגמא הזאת יש לנו אפילו מספר סוגים של לומדים, חלק מתקדמים וחלק מתחילים)

Our Challenge

אי עמידה באתגר =
מחיר יקר

פוגש את הדמות בזמן
ובמקום "לא נוחים"

התגברות אישית

קשה אבל
אפשרי

Our Challenge

It is difficult because: _____
Who will fail in this and
why _____

- Hard but possible
- Stack the odds against
- Cliffhanger
- The villain's is on top and the evil seems to win

עקרונות #7

#7

Our solution

Come up with your ending before
you figure out your middle.
Seriously, endings are hard.
Get yours working up front.

Our Solution

הגיבור מתגבר על האתגר, אבל גם:

מתגבר על
קושי האיש

לומד משהו חדש
על עצמו

משנה את המציאות
שלו או של הסביבה שלו

מקבל את ההכרה של
הסביבה שלו

Our Solution

How the solution changes
reality:

- Learn something about ourselves,
- Overcome difficulty
- Change reality
- Social recognition
